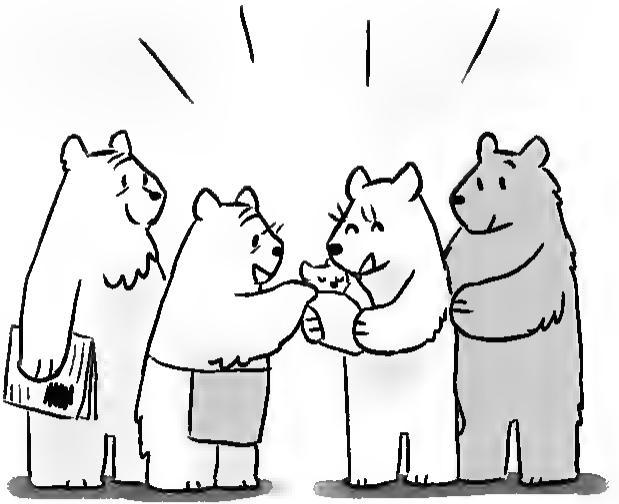
Hahaha!!



There is nothing wrong with crying.

LINE Webtoon

Old people cry.

We cry because we experience some strong feelings.

Crying is one of our ways to express emotions.

Crying means we are capable to feel.

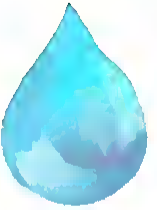
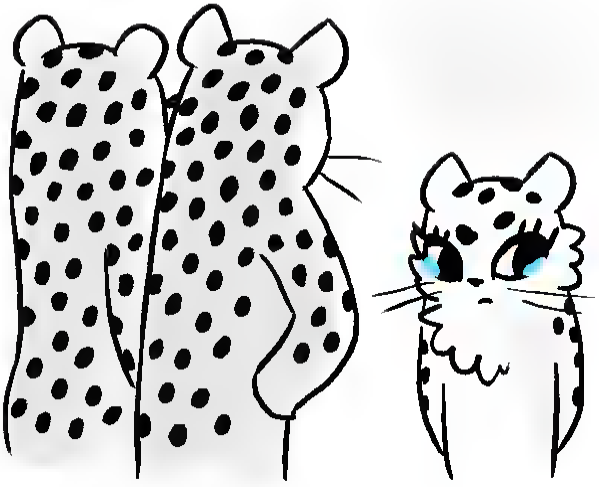
What's wrong with crying?



There are a lot of things that can make us cry.

When we are overwhelmed with joy...

Babies cry.



When we are strike by sadness and loss...

When our hearts are touched…
